CITRAND
Hand cleaning gel

Description
New, softer type of beaded hand gel with a refreshing citrus perfume. Will dissolve & remove oil, grease & stubborn soiling from hands. Ideal for use in garages, engineering workshops and all general industry.

Features & Benefits
- Contains glycerine for added skin protection.
- Formulated with polymer beads to help remove the heaviest soiling.
- Refreshing lemon perfume, pleasant to use.
- Will rinse easily in warm or cold water.
- Suitable for use in a dispenser or use directly from the bottle using a pump dispenser.

How to Use
Apply to dry hands, rub in well until all dirt & grease has been loosened, then rinse with warm or cold water. Dry hands thoroughly.

CITRAND is designed for use through a pump dispenser supplied with the pack or alternatively with a wall mounted dispenser.

The use of Evans CAREHANDS Barrier & Moisturising Cream is recommended prior to starting & after finishing work.

Composition
Contains a blend of soaps, nonionic surfactant, emollient, viscosity stabiliser, citrus terpenes, polymer beads & dye.
